Surcharge and Education Cess are payable by both resident and non-resident assessees.

3. SECTION 192 OF THE INCOME-TAX ACT,1961: BROAD SCHEME OF TAX DEDUCTION AT SOURCE FROM "SALARIES".

Method of Tax Calculation:

3.1 Every person who is responsible for paying any income chargeable under the head "Salaries" shall deduct income-tax on the estimated income of the assessee under the head "Salaries" for the financial year 2006-2007. The income-tax is required to be calculated on the basis of the rates given above and shall be deducted on average at the time of each payment. No tax will, however, be required to be deducted at source in any case unless the estimated salary income including the value of perquisites, for the financial year exceeds Rs.1,00,000/- or Rs.1,35,000/- or Rs.1,85,000/-, as the case may be, depending upon the age and gender of the employee.(Some typical examples of computation of tax are given at **Annexure-I**).

Payment of Tax on Non-monetary Perquisites by Employer:

3.2 An option has been given to the employer to pay the tax on non-monetary perquisites given to an employee. The employer may, at his option, make payment of the tax on such perquisites himself without making any TDS from the salary of the employee. The employer will have to pay such tax at the time when such tax was otherwise deductible i.e. at the time of payment of income chargeable under the head salaries to the employee.

Computation of Average Income Tax:

3.3 For the purpose of making the payment of tax mentioned in para 3.2 above, tax is to be determined at the average of income tax computed on the basis of rate in force for the financial year, on the income chargeable under the head "salaries", including the value of perquisites for which tax has been paid by the employer himself.

ILLUSTRATION:

Suppose that the income chargeable under the head 'salary' of a male employee below sixty-five years of age for the year inclusive of all perquisites is Rs.2,40,000/-, out of which, Rs.40,000/- is on account of non-monetary perquisites and the employer opts to pay the tax on such perquisites as per the provisions discussed in para 3.2 above.

STEPS:

Income Chargeable under the head "Salaries"

inclusive of all perquisites: Rs. 2,40,000

Tax on Total Salaries: Rs. 23,000

Average Rate of Tax [(23,000/2,40,000) X 100]: 9.58%

Tax payable on Rs.40,000/- (9.58% of 40,000) Rs. 3,833

Amount required to be deposited each month: (3,833/ 12) Rs. 319

The tax so paid by the employer shall be deemed to be TDS made from the salary of the employee.

Salary From More Than One Employer:

3.4 Sub-section (2) of section 192 deals with situations where an individual is working under more than one employer or has changed from one employer to another. It provides for deduction of tax at source by such employer (as the tax payer may choose) from the aggregate salary of the employee who is or has been in receipt of salary from more than one employer. The employee is now required to furnish to the present/chosen employer details of the income under the head "Salaries" due or received from the former/ other employer and also tax deducted at source therefrom, in writing and duly verified by him and by the former/other employer. The present/ chosen employer will be required to deduct tax at source on the aggregate amount of salary (including salary received from the former or other employer).

Relief When Salary Paid in Arrear or Advance:

3.5 Under sub-section (2A) of section 192 where the assessee, being a Government servant or an employee in a company, co-operative society, local authority, university, institution, association or body is entitled to the relief under Sub-section (1) of Section 89, he may furnish to the person responsible for making the payment referred to in Para (3.1), such particulars in Form No. 10E duly verified by him, and thereupon the person responsible as aforesaid shall compute the relief on the basis of such particulars and take the same into account in making the deduction under Para(3.1) above.

Explanation :- For this purpose "University means a University established or incorporated by or under a Central, State or Provincial Act, and includes an institution declared under section 3 of the University Grants Commission Act, 1956(3 of 1956), to be University for the purposes of the Act.

Furnishing of Declaration by Taxpayer in Form 12C

3.6 (i) Sub-section (2B) of section 192 enables a taxpayer to furnish particulars of income under any head other than "Salaries" and of any tax deducted at source thereon. Form no. 12C, which was earlier prescribed for furnishing such particulars (**Annexure-II**), has since been omitted from the Income Tax Rules. However, the particulars may now be furnished in a simple statement, which is properly verified by the taxpayer in the same manner as was required to be done in Form 12C.

(ii) Such income should not be a loss under any such head other than the loss under the head "Income from House Property" for the same financial year. The person responsible for making payment (DDO) shall take such other income and tax, if any, deducted at source from such income, and the loss, if any, under the head "Income from House Property" into account for the purpose of computing tax deductible under section 192 of the Income-tax Act. However, this sub-section shall not in any case have the effect of reducing the tax deductible (except where the loss under the head "Income from House Property" has been taken into account) from income under the head "Salaries" below the amount that would be so deductible if the other income and the tax deducted thereon had not been taken into account'. In other words, the DDO can take into account any loss (negative income) only under the head "income from House Property" and no other head for working out the amount of total tax to be deducted. While taking into the account the loss from House Property, the DDO shall ensure that the assessee files the declaration referred to above and encloses therewith a computation of such loss from House Property.

(iii) Sub-section (2C) lays down that a person responsible for paying any income chargeable under the head "salaries" shall furnish to the person to whom such payment is made a statement giving correct and complete particulars of perquisites or profits in lieu of salary provided to him and the value thereof in form no. 12BA. (**Annexure-III**). **Form no. 12BA along with form no. 16, as issued by the employer, are required to be filed by the employee along with the return of income for the relevant year.**

Conditions for Claim of Deduction of Interest on Borrowed Capital for Computation of Income From House Property

3.7(i) For the purpose of computing income / loss under the head 'Income from House Property' **in respect of a self-occupied residential house**, a normal deduction of Rs.30,000/- is allowable in respect of interest on borrowed capital. However, a deduction on account of interest up to a maximum limit of Rs.1,50,000/- is available if such loan has been taken on or after 1.4.1999 for constructing or acquiring the residential house and the construction or acquisition of the residential unit out of such loan has been completed within three years from the end of the financial year in which capital was borrowed. Such higher deduction is not allowable in respect of interest on capital borrowed for the purposes of repairs or renovation of an existing residential house. To claim the higher deduction in respect of interest upto Rs.1,50,000/-, the employee should furnish a certificate from the person to whom any interest is payable on the capital borrowed, specifying the amount of interest payable by such employee for the purpose of construction or acquisition of the residential house or for conversion of a part or whole of the capital borrowed, which remains to be repaid as a new loan.

3.7(ii) The essential conditions for availing higher deduction of interest of Rs.1,50,000/- **in respect of a self-occupied residential house** are that the amount of capital must have been borrowed on or after 01.4.1999 and the acquisition or

construction of residential house must have been completed within three years from the end of the financial year in which capital was borrowed. There is no stipulation regarding the date of commencement of construction. Consequently, the construction of the residential house could have commenced before 01.4.1999 but, as long as its construction/acquisition is completed within three years, from the end of the financial year in which capital was borrowed the higher deduction would be available in respect of the capital borrowed after 01.4.1999. It may also be noted that there is no stipulation regarding the construction/ acquisition of the residential unit being entirely financed by capital borrowed on or after 01.4.1999. The loan taken prior to 01.4.1999 will carry deduction of interest up to Rs.30,000/ only. However, in any case the total amount of deduction of interest on borrowed capital will not exceed Rs.1,50,000/- in a year.

Adjustment for Excess or Shortfall of Deduction:

3.8 The provisions of sub-section (3) of Section 192 allow the deductor to make adjustments for any excess or shortfall in the deduction of tax already made during the financial year, in subsequent deductions for that employee within that financial year itself.

TDS on Payment of Balance Under Provident Fund and Superannuation Fund:

3.9 The trustees of a Recognized Provident Fund, or any person authorized by the regulations of the Fund to make payment of accumulated balances due to employees, shall, in cases where sub-rule(1) of rule 9 of Part A of the Fourth Schedule to the Act applies, at the time when the accumulated balance due to an employee is paid, make therefrom the deduction specified in rule 10 of Part A of the Fourth Schedule.

3.10 Where any contribution made by an employer, including interest on such contributions, if any, in an approved Superannuation Fund is paid to the employee, tax on the amount so paid shall be deducted by the trustees of the Fund to the extent provided in rule 6 of Part B of the Fourth Schedule to the Act.

Salary Paid in Foreign Currency:

3.11 For the purposes of deduction of tax on salary payable in foreign currency, the value in rupees of such salary shall be calculated at the prescribed rate of exchange.

4. PERSONS RESPONSIBLE FOR DEDUCTING TAX AND THEIR DUTIES:

4.1. Under clause (i) of Section 204 of the Act the "persons responsible for paying" for the purpose of Section 192 means the employer himself or if the employer is a Company, the Company itself including the Principal Officer thereof.

4.2. The tax determined as per para 6 should be deducted from the salary u/s 192 of the Act.

Deduction of Tax at Lower Rate:

4.3. Section 197 enables the tax-payer to make an application in form No.13 to his Assessing Officer, and, if the Assessing Officer is satisfied that the total income of the tax-payer justifies the deduction of income-tax at any lower rate or no deduction of income tax, he may issue an appropriate certificate to that effect which should be taken into account by the Drawing and Disbursing Officer while deducting tax at source. In the absence of such a certificate furnished by the employee, the employer should deduct income tax on the salary payable at the normal rates: **(Circular No. 147 dated 28.10.1974.)**

Deposit of Tax Deducted:

4.4. According to the provisions of section 200, any person deducting any sum in accordance with the provisions of Section 192 or paying tax on non-monetary perquisites on behalf of the employee under Section 192(1A), shall pay the sum so deducted or tax so calculated on the said non-monetary perquisites, as the case may be, to the credit of the Central Government in prescribed manner (vide Rule 30 of the Income-tax Rules, 1962). In the case of deductions made by, or, on behalf of the Government, the payment has to be made on the day of the tax-deduction itself. In other cases, the payment has to be made within one week from the last day of month in which deduction is made.

Penalty for Failure to Deposit Tax Deducted:

4.5 If a person fails to deduct the whole or any part of the tax at source, or, after deducting, fails to pay the whole or any part of the tax to the credit of the Central Government within the prescribed time, he shall be liable to action in accordance with the provisions of section 201. Sub-section (1A) of section 201 lays down that such person shall be liable to pay simple interest at twelve per cent per annum on the amount of such tax from the date on which such tax was deductible to the date on which the tax is actually paid. **Such interest, if chargeable, has to be paid before furnishing of quarterly statement of TDS for each quarter.** Section 271C lays down that if any person fails to deduct tax at source, he shall be liable to pay, by way of penalty, a sum equal to the amount of tax not deducted by him. Further, section 276B lays down that if a person fails to pay to the credit of the Central Government within the prescribed time the tax deducted at source by him, he shall be punishable with rigorous imprisonment for a term which shall be between 3 months and 7 years, along with fine.

Furnishing of Certificate for Tax Deducted:

4.6 According to the provisions of section 203, every person responsible for deducting tax at source is required to furnish a certificate to the payee to the effect that tax has been deducted and to specify therein the amount deducted and certain other particulars. This certificate, usually called the "TDS certificate", has to be furnished within a period of one month from the end of the relevant financial year. Even the banks deducting tax at the time of payment of pension are required to issue such certificates. In the case of employees receiving salary income (including pension), the certificate has to be issued in Form No.16. However, in the case of an employee who is resident in India and whose income from salaries does not exceed Rs.1,50,000/-, the certificate of deduction of tax shall be issued in Form No. 16AA (Specimen form 16AA enclosed as **ANNEXURE-IV**). It is, however, clarified that there is no obligation to issue the TDS certificate (Form 16 or Form 16AA) in case tax at source is not deductible/deducted by virtue of claims of exemptions and deductions. As per section 192, the responsibility of providing correct and complete particulars of perquisites or profits in lieu of salary given to an employee is placed on the person responsible for paying such income i.e., the person responsible for deducting tax at source. The form and manner of such particulars are prescribed in Rule 26A, Form 12BA, Form 16 and Form 16AA of the Income-tax Rules .

Information relating to the nature and value of perquisites is to be provided by the employer in Form no. 12BA in case of salary above Rs.1,50,000/-. In other cases, the information would have to be provided by the employer in Form 16 itself. In either case, Form 16 with Form 12BA or Form 16 by itself will have to be furnished within a period of one month from the end of relevant financial year.

An employer, who has paid the tax on perquisites on behalf of the employee as per the provisions discussed in paras 3.2 and 3.3, shall furnish to the employee concerned a certificate to the effect that tax has been paid to the Central Government and specify the amount so paid, the rate at which tax has been paid and certain other particulars in the amended Form 16.

The obligation cast on the employer under Section 192(2C) for furnishing a statement showing the value of perquisites provided to the employee is a serious responsibility of the employer, which is expected to be discharged in accordance with law and rules of valuation framed thereunder. Any false information, fabricated documentation or suppression of requisite information will entail consequences therefore provided under the law. The certificates in form no.12BA and form no. 16 are to be issued on tax-deductor's own stationery within one month from the close of the financial year i.e. by April 30 of every year. If he fails to issue these certificates to the person concerned, as required by section 203, he will be liable to pay, by way of penalty, under section 272A, a sum which shall be Rs.100/- for every day during which the failure continues.

Mandatory Quoting of PAN and TAN:

4.7 According to the provisions of section 203A of the Income-tax Act, it is obligatory for all persons responsible for deducting tax at source to obtain and quote the Tax-deduction Account No. (TAN) in the *challans*, TDS-certificates, statements and other documents. Detailed instructions in this regard are available in this Department's Circular No.497 (F.No.275/118/87-IT(B) dated 9.10.1987). **If a person fails to comply with the provisions of section 203A, he will be liable to pay, by way of penalty, under section 272BB**, a sum of ten thousand rupees. Similarly, as per Section 139A(5B), it is obligatory for persons deducting tax at source to quote PAN of the persons from whose income tax has been deducted in the statement furnished u/s 192(2C), certificates furnished u/s 203 and all returns prepared and delivered as per the provisions of section 200(3) of the Income Tax Act, 1961.

Quarterly Statement of TDS:

4.8. The person deducting the tax (employer in case of salary income), is required to file Quarterly Statements of TDS for the periods ending on 30th June, 30th September, 31st December and 31st March of each financial year, duly verified, to the Director General of Income Tax (Systems) or M/s National Securities Depository Ltd (NSDL). These statements are required to be filed on or before the 15th July, the 15th October, the 15th January in respect of the first three quarters of the financial year and on or before the 15th June following the last quarter of the financial year. **The requirement of filing an annual return of TDS has been done away with w.e.f. 1.4.2006. The quarterly statement for the last quarter filed in Form 24Q (as amended by Notification No. S.O.704(E) dated 12.5.2006) shall be treated as the annual return of TDS.**

It is now mandatory for all offices of the Government and all companies to file quarterly statements of TDS on computer media only in accordance with the "Electronic Filing of Returns of Tax Deducted at Source Scheme, 2003" as notified vide Notification No. S.O. 974 (E) dated 26.8.2003. (ANNEXURE-V) . The quarterly statements are to be filed by such deductors in electronic format with the e-TDS Intermediary at any of the TIN Facilitation Centres, particulars of which are available at www.incometaxindia.gov.in and at <http://tin.nsdli.com> . If a person fails to furnish the quarterly statements in due time, he shall be liable to pay by way of penalty under section 272A(2)(k), a sum which shall be Rs.100/- for every day during which the failure continues. However, this sum shall not exceed the amount of tax which was deductible at source.

The Quarterly Statements are to be filed on computer media only in accordance with rule 31A of the Income-tax Rules, 1962. **These Quarterly Statements compulsorily require quoting of the Tax Deduction Account Number (TAN) of the tax-deductor and the Permanent Account Number(PAN) of the employees whose tax has been deducted. Therefore, all Drawing and Disbursing Officers of the Central and State Governments/ Departments, who have not yet obtained TAN, must immediately apply for and obtain TAN. Similarly, all employees (including non-resident employees) from whose income, tax is to be deducted may be advised to obtain PAN, if not already obtained, and to quote the same correctly, as otherwise the credit for the tax deducted cannot be given. A penalty under section 272B of Rs.10,000/- has been prescribed for willfully intimating a false PAN.**

4.9. A return filed on the prescribed computer readable media shall be deemed to be a return for the purposes of section 200(3) and the Rules made thereunder, and shall be admissible in any proceeding thereunder, without further proof of production of the original, as evidence of any contents of the original.

Challans for Deposit of TDS:

4.10. While making the payment of tax deducted at source to the credit of the Central Government, it may be ensured that the correct amount of income-tax is recorded in the relevant *challan*. It may also be ensured that the right type of *challan* is used. The relevant *challan* for making payment of tax deducted at source from salaries is **challan no. ITNS-281**. Where the amount of tax deducted at source is credited to the Central Government through book adjustment, care should be taken to ensure that the correct amount of income-tax is reflected therein.

TDS on Income from Pension:

4.11. In the case of pensioners who receive their pension from a nationalized bank, the instructions contained in this circular shall apply in the same manner as they apply to salary-income. The deductions from the amount of pension under section 80C on account of contribution to Life Insurance, Provident Fund, NSC etc., if the pensioners furnish the relevant details to the banks, may be allowed. Necessary instructions in this regard were issued by the Reserve Bank of India to the State Bank of India and other nationalized Banks vide RBI's Pension Circular(Central Series) No.7/C.D.R./1992 (Ref. CO: DGBA: GA (NBS) No.60/GA.64(11CVL)-/92) dated the 27th April, 1992, and, these instructions should be followed by all the branches of the Banks, which have been entrusted with the task of payment of pensions. Further all branches of the banks are bound u/s 203 to issue certificate of tax deducted in Form 16 to the pensioners also vide **CBDT circular no. 761 dated 13.1.98**.

Important Circulars:

4.12. Where Non-Residents are deputed to work in India and taxes are borne by the employer, if any refund becomes due to the employee after he has already left India and has no bank account in India by the time the assessment orders are passed, the refund can be issued to the employer as the tax has been borne by it : **Circular No. 707 dated 11.7.1995**.

4.13. TDS certificates issued by Central Government departments which are making payments by book adjustment, should be accepted by the Assessing Officers if they indicate that credit has been effected to the Income Tax Department by book adjustment and the date of such adjustment is given therein. In such cases, the Assessing Officers may not insist on details like *challan* numbers, dates of payment into Government Account etc., but they should in any case satisfy themselves regarding the genuineness of the certificates produced before them : **Circular No. 747 dated 27.12.1996**.

4.14 There is a specific procedure laid down for refund of payments made by the deductor in excess of taxes deducted at source, vide **Circular No. 285 dated 21.10.1980**.

4.15 In respect of non-residents, the salary paid for services rendered in India shall be regarded as income earned in India. It has been specifically provided in the Act that any salary payable for rest period or leave period which is both preceded or succeeded by service in India and forms part of the service contract of employment will also be regarded as income earned in India.

5. ESTIMATION OF INCOME UNDER THE HEAD "SALARIES"

5.1 Income chargeable under the head "Salaries".

(1) The following income shall be chargeable to income-tax under the head "Salaries" :

- (a) any salary due from an employer or a former employer to an assessee in the previous year, whether paid or not;
- (b) any salary paid or allowed to him in the previous year by or on behalf of an employer or a former employer though not due or before it became due to him.
- (c) any arrears of salary paid or allowed to him in the previous year by or on behalf of an employer or a former employer, if not charged to income-tax for any earlier previous year.

(2) For the removal of doubts, it is clarified that where any salary paid in advance is included in the total income of any person for any previous year it shall not be included again in the total income of the person when the salary becomes due. Any salary, bonus, commission or remuneration, by whatever name called, due to, or received by, a partner of a firm from the firm shall not be regarded as "Salary".

Definition of Salary:

(3) "Salary" includes wages, fees, commissions, perquisites, profits in lieu of, or, in addition to salary, advance of salary, annuity or pension, gratuity, payments in respect of encashment of leave etc. It also includes the annual accretion to the employee's account in a recognized provident fund to the extent it is chargeable to tax under rule 6 of Part A of the Fourth Schedule of the Income-tax Act. Contributions made by the employer to the account of the employee in a recognized provident fund in excess of 12% of the salary of the employee, along with interest applicable, shall be included in the income of the assessee for the previous year. **Any contribution made by the Central Government to the account of the employee under the New Pension Scheme as notified vide Notification No. F.N. 5/7/2003- ECB&PR dated 22.12.2003 (copy enclosed as Annexure-VA) and referred to in section 80CCD (para 5.4(E) of this Circular) shall also be included in the salary income.** Other items included in salary, profits in lieu of salary and perquisites are described in Section 17 of the Income-tax Act. It may be noted that, since salary includes pensions, tax at source would have to be deducted from pension also, if otherwise called for. However, no tax is required to be deducted from the commuted portion of pension as explained in clause (3) of para 5.2 of this Circular.

(4) Section 17 defines the terms "salary", "perquisite" and "profits in lieu of salary".

Perquisite includes:

- a) The value of rent free accommodation provided to the employee by his employer;
- b) The value of any concession in the matter of rent in respect of any accommodation provided to the employee by his employer;
- c) The value of any benefit or amenity granted or provided free of cost or at concessional rate in any of the following cases:
 - i) By a company to an employee who is a director of such company;
 - ii) By a company to an employee who has a substantial interest in the company;
 - iii) By an employer (including a company) to an employee, who is not covered by (i) or (ii) above and whose income under the head Salaries (whether due from or paid or allowed by one or more employers), exclusive of the value of all benefits and amenities not provided by way of monetary payment, exceeds Rs.50,000/._.

The rules relating to valuation of such benefits and amenities have been prescribed in Rule 3. It is further provided that 'profits in lieu of salary' shall include amounts received in lump sum or otherwise, prior to employment or after cessation of employment for the purposes of taxation. The rules for valuation of perquisite are as under : -

I. Accommodation :- For purpose of valuation of the perquisite of unfurnished accommodation, all employees are divided into two categories: I) Govt. & State Govt. employees; and ii) Others.

For employees of the Central and State government the value of perquisite shall be equal to the licence fee charged for such accommodation as reduced by the rent actually paid by the employee.

For all others, i.e., those salaried taxpayers not in employment of the Central government and the State government, the valuation of perquisite in respect of accommodation would be at prescribed rates, as discussed below:

- a. Where the accommodation provided to the employee is **owned by the employer**, the rate is 20% of 'salary' in cities having population exceeding four lakh as per the 2001 census. For other places, the perquisite value would be 15% of salary.
- b. Where the accommodation so provided is **taken on lease/ rent by the employer**, the prescribed rate is 20% of the salary or the actual amount of lease rental payable by the employer, whichever is lower, as reduced by any amount of rent paid by the employee.

For **furnished accommodation**, the value of perquisite as determined by the above method shall be increased by-

- i) 10% of the cost of furniture, appliances and equipments, or
 - ii) where the furniture, appliances and equipments have been taken on hire, by the amount of actual hire charges payable.
- as reduced by any charges paid by the employee himself.

“Accommodation” includes a house, flat, farm house, hotel accommodation, motel, service apartment guest house, a caravan, mobile home, ship etc. However, the value of any accommodation provided to an employee working at a mining site or an on-shore oil exploration site or a project execution site or a dam site or a power generation site or an off-shore site will not be treated as a perquisite. However, such accommodation should either be located in a “remote area” or where it is not located in a “remote area”, the accommodation should be of a temporary nature having plinth area of not more than 800 square feet and should not be located within 8 kilometers of the local limits of any municipality or cantonment board. A project execution site for the purposes of this sub-rule means a site of project up to the stage of its commissioning. A “remote area” means an area located at least 40 kilometers away from a town having a population not exceeding 20,000 as per the latest published all-India census. Off-shore sites of similar nature do not have to meet any requirement of distance.

If an accommodation is provided by an employer in a hotel the value of the benefit in such a case shall be 24% of the annual salary or the actual charges paid or payable to such hotel, whichever is lower, for the period during which such accommodation is provided as reduced by any rent actually paid or payable by the employee. However, where in cases the employee is provided such accommodation for a period not exceeding in aggregate fifteen days on transfer from one place to another, no perquisite value for such accommodation provided in a hotel shall be charged. It may be clarified that while services provided as an integral part of the accommodation, need not be valued separately as perquisite, any other services over and above that for which the employer makes payment or reimburses the employee shall be valued as a perquisite as per the residual clause. In other words, composite tariff for accommodation will be valued as per these Rules and any other charges for other facilities provided by the hotel will be separately valued under the residual clause. Also, if on account of an employee’s transfer from one place to another, the employee is provided with accommodation at the new place of posting while retaining the accommodation at the other place, the value of perquisite shall be determined with reference to only one such accommodation which has the lower value as per the table prescribed in Rule 3 of the Income Tax Rules, for a period up to 90 days. However, after that the value of perquisite shall be charged for both accommodations as prescribed.

II Personal attendants etc.: The value of free service of all personal attendants including a sweeper, gardener and a watchman is to be taken at actual cost to the employer. Where the attendant is provided at the residence of the employee, full cost will be taxed as perquisite in the hands of the employee irrespective of the degree of personal service rendered to him. Any amount paid by the employee for such facilities or services shall be reduced from the above amount.

III Gas, electricity & water: For free supply of gas, electricity and water for household consumption, the rules provide that the amount paid by the employer to the agency supplying the amenity shall be the value of perquisite. Where the supply is made from the employer’s own resources, the manufacturing cost per unit incurred by the employer would be taken for the valuation of perquisite. Any amount paid by the employee for such facilities or services shall be reduced from the above amount.

IV Free or concessional education: Perquisite on account of free or concessional education shall be valued in a manner assuming that such expenses are borne by the employee, and would cover cases where an employer is running, maintaining or directly or indirectly financing the educational institution. Any amount paid by the employee for such facilities or services shall be reduced from the above amount. However, where such educational institution itself is maintained and owned by the employer or where such free educational facilities are provided in any institution by reason of his being in employment of that employer, the value of the perquisite to the employee shall be determined with reference to the cost of such education in a similar institution in or near the locality if the cost of such education or such benefit per child exceeds Rs.1000/- p.m.

V Interest free or concessional loans - It is common practice, particularly in financial institutions, to provide interest free or concessional loans to employees or any member of his household. The value of perquisite arising from such loans would be the excess of interest payable at prescribed interest rate over interest, if any, actually paid by the employee or any member of his household. The prescribed interest rate would now be the rate charged per annum by the State Bank of India as on the 1st day of the relevant financial year in respect of loans of same type and for the same purpose advanced by it to the general public. Perquisite value would be calculated on the basis of the maximum outstanding monthly balance method. For valuing perquisites under this rule, any other method of calculation and adjustment otherwise adopted by the employer shall not be relevant.

However, small loans up to Rs. 20,000/- in the aggregate are exempt. Loans for medical treatment specified in Rule 3A are also exempt, provided the amount of loan for medical reimbursement is not reimbursed under any medical insurance scheme. Where any medical insurance reimbursement is received, the perquisite value at the prescribed rate shall be charged from the date of reimbursement on the amount reimbursed, but not repaid against the outstanding loan taken specifically for this purpose.

VI Use of assets: It is common practice for an asset owned by the employer to be used by the employee or any member of his household. This perquisite is to be charged at the rate of 10% of the original cost of the asset as reduced by any charges recovered from the employee for such use. However, the use of Computers and Laptops would not give rise to any perquisite.

VII Transfer of assets: Often an employee or member of his household benefits from the transfer of movable asset (not being shares or securities) at no cost or at a cost less than its market value from the employer. The difference between the original cost of the movable asset(not being shares or securities) and the sum, if any, paid by the employee, shall be taken as the value of perquisite. In case of a movable asset, which has already been put to use, the original cost shall be reduced by a sum of 10% of such original cost for every completed year of use of the asset. Owing to a higher degree of obsolescence, in case of computers and electronic gadgets, however, the value of perquisite shall be worked out by reducing 50% of the actual cost by the reducing balance method for each completed year of use. Electronic gadgets in this case means data storage and handling devices like computer, digital diaries and printers. They do not include household appliance (i.e. white goods) like washing machines, microwave ovens, mixers, hot plates, ovens etc. Similarly, in case of cars, the value of perquisite shall be worked out by reducing 20% of its actual cost by the reducing balance method for each completed year of use.

VIII. Employee Stock Option Plan: Prior to Finance Act, 2000, stock options were taxed at two stages i.e., as perquisite (on the amount representing the difference between the exercise price and the fair market value on the date of exercise), and as capital gains at the time of transfer of the same. With effect from 1.4.2001 (relevant to assessment year 2001-2002) onward, stock options issued as per guidelines of the Central Government are to be taxed only once, at the time of sale, as capital gains. In cases, where perquisite has been assessed with reference to exercise of the option by the employee under Section 17(2), the fair market value at the time of exercise of the option shall be the cost of acquisition of share for working out the capital gains. The relevant guidelines of the Central Government have been issued vide Notification No.1021(E) dt.11.10.2001. Stock options not in conformity with the above guidelines (non-qualified stock options) shall continue to be taxed at both the stages.

It is pertinent to mention that benefits specifically exempt u/s 10(13A), 10(5), 10(14), 17 etc. would continue to be exempt. These include benefits like travel on tour and transfer, leave travel, daily allowance to meet tour expenses as prescribed, medical facilities subject to conditions.

5.2 Incomes not included in the Head "Salaries"(Exemptions)

Any income falling within any of the following clauses shall not be included in computing the income from salaries for the purpose of Section 192 of the Act :-

(1) The value of any **travel concession or assistance** received by or due to an employee from his employer or former employer for himself and his family, in connection with his proceeding (a) on leave to any place in India or (b) on retirement from service, or, after termination of service to any place in India is exempt under clause (5) of Section 10 subject, however, to the conditions prescribed in rule 2B of the Income-tax Rules, 1962.

For the purpose of this clause, "family" in relation to an individual means :

- (i) The spouse and children of the individual; and
- (ii) the parents, brothers and sisters of the individual or any of them, wholly or mainly dependent on the individual.

It may also be noted that the amount exempt under this clause shall in no case exceed the amount of expenses actually incurred for the purpose of such travel.

(2) **Death-cum-retirement gratuity** or any other gratuity which is exempt to the extent specified from inclusion in computing the total income under clause (10) of Section 10.

(3) Any payment in **commutation of pension** received under the Civil Pension(Commutation) Rules of the Central Government or under any similar scheme applicable to the members of the civil services of the Union, or holders of civil posts/posts connected with defence, under the Union, or civil posts under a State, or to the members of the all India services/Defence Services, or, to the employees of a local authority or a corporation established by a Central, State or Provincial Act, is exempt under sub-clause (i) of clause (10A) of Section 10. As regards payments in commutation of pension received under any scheme of any other employer, exemption will be governed by the provisions of sub-clause (ii) of clause (10A) of section 10.

(4) Any payment received by an employee of the Central Government or a State Government, as **cash-equivalent of the leave salary** in respect of the period of earned leave at his credit at the time of his retirement on superannuation or otherwise, is exempt under sub-clause(i) of clause (10AA) of Section 10. In the case of other employees, this exemption will be determined with reference to the leave to their credit at the time of retirement on superannuation, or otherwise,

subject to a maximum of ten months' leave. This exemption will be further limited to the maximum amount specified by the Government of India Notification No.S.O.588(E) dated 31.05.2002 at Rs. 3,00,000/- in relation to such employees who retire, whether on superannuation or otherwise, after 1.4.1998.

(5) Under Section 10(10B), the **retrenchment compensation** received by a workman is exempt from income-tax subject to certain limits. The maximum amount of retrenchment compensation exempt is the sum calculated on the basis provided in section 25F(b) of the Industrial Disputes Act, 1947 or any amount not less than Rs.50,000/- as the Central Government may by notification specify in the official gazette, whichever is less. These limits shall not apply in the case where the compensation is paid under any scheme which is approved in this behalf by the Central Government, having regard to the need for extending special protection to the workmen in the undertaking to which the scheme applies and other relevant circumstances. The maximum limit of such payment is Rs. 5,00,000 where retrenchment is on or after 1.1.1997.

(6) Under Section 10(10C), any payment received or receivable (even if received in instalments) by an employee of the following bodies at the time of his voluntary retirement or termination of his service, in accordance with any scheme or **schemes of voluntary retirement** or in the case of public sector company, a scheme of voluntary separation, is exempted from income-tax to the extent that such amount does not exceed five lakh rupees:

- a) A public sector company;
- b) Any other company;
- c) An Authority established under a Central, State or Provincial Act;
- d) A Local Authority;
- e) A Cooperative Society;
- f) A university established or incorporated or under a Central, State or Provincial Act, or, an Institution declared to be a University under section 3 of the University Grants Commission Act, 1956;
- g) Any Indian Institute of Technology within the meaning of Clause (g) of Section 3 of the Institute of Technology Act, 1961;
- h) Such Institute of Management as the Central Government may by notification in the Official Gazette, specify in this behalf.

The exemption of amount received under VRS has been extended to employees of the Central Government and State Government and employees of notified institutions having importance throughout India or any State or States. It may also be noted that where this exemption has been allowed to any employee for any assessment year, it shall not be allowed to him for any other assessment year.

(7) Any **sum received under a Life Insurance Policy**, including the sum allocated by way of bonus on such policy other than:

- i) any sum received under sub-section (3) of section 80DD or sub-section (3) of section 80DDA or,
- ii) any sum received under Keyman insurance policy or,
- iii) any sum received under an insurance policy issued on or after 1.4.2003 in respect of which the premium payable for any of the years during the term of the policy exceeds 20 percent of the actual capital sum assured. However, any sum received under such policy on the death of a person would still be exempt.

(8) any **payment from a Provident Fund** to which the Provident Funds Act, 1925 (19 of 1925), applies (or from any other provident fund set up by the Central Government and notified by it in this behalf in the Official Gazette).

(9) Under Section 10(13A) of the Income-tax Act, 1961, any special allowance specifically granted to an assessee by his employer to meet **expenditure incurred on payment of rent** (by whatever name called) in respect of residential accommodation occupied by the assessee is exempt from Income-tax to the extent as may be prescribed, having regard to the area or place in which such accommodation is situated and other relevant considerations. According to rule 2A of the Income-tax Rules, 1962, the quantum of exemption allowable on account of grant of special allowance to meet expenditure on payment of rent shall be:

- a) The actual amount of such allowance received by an employer in respect of the relevant period; or
- (b) The actual expenditure incurred in payment of rent in excess of 1/10 of the salary due for the relevant period; or

- (c) Where such accommodation is situated in Bombay, Calcutta, Delhi or Madras, 50% of the salary due to the employee for the relevant period; or
- (d) Where such accommodation is situated in any other place, 40% of the salary due to the employee for the relevant period, whichever is the least.

For this purpose, "Salary" includes dearness allowance, if the terms of employment so provide, but excludes all other allowances and perquisites. It has to be noted that only the expenditure actually incurred on payment of rent in respect of residential accommodation occupied by the assessee subject to the limits laid down in Rule 2A, qualifies for exemption from income-tax. Thus, house rent allowance granted to an employee who is residing in a house/flat owned by him is not exempt from income-tax. The disbursing authorities should satisfy themselves in this regard by insisting on production of evidence of actual payment of rent before excluding the House Rent Allowance or any portion thereof from the total income of the employee. Though incurring actual expenditure on payment of rent is a pre-requisite for claiming deduction under section 10(13A), it has been decided as an administrative measure that salaried employees drawing house rent allowance upto Rs.3000/- per month will be exempted from production of rent receipt. It may, however, be noted that this concession is only for the purpose of tax-deduction at source, and, in the regular assessment of the employee, the Assessing Officer will be free to make such enquiry as he deems fit for the purpose of satisfying himself that the employee has incurred actual expenditure on payment of rent.

(10) Clause (14) of section 10 provides for exemption of the following allowances :-

- (i) Any special allowance or benefit granted to an employee to meet the **expenses incurred in the performance of his duties** as prescribed under Rule 2BB subject to the extent to which such expenses are actually incurred for that purpose.
- (ii) Any allowance granted to an employee either to meet his personal expenses at the place of his posting or at the place he ordinarily resides or to **compensate him for the increased cost of living**, which may be prescribed and to the extent as may be prescribed.

However, the allowance referred to in (ii) above should not be in the nature of a personal allowance granted to the assessee to remunerate or compensate him for performing duties of a special nature relating to his office or employment unless such allowance is related to his place of posting or residence.

The CBDT has prescribed guidelines for the purpose of clauses (i) and (ii) of Section 10(14) vide notification No.SO617(E) dated 7th July, 1995 (F.No.142/9/95-TPL) which has been amended vide notification SO No.403(E) dt 24.4.2000 (F.No.142/34/99-TPL). The transport allowance granted to an employee to meet his expenditure for the purpose of commuting between the place of his residence and the place of duty is exempt to the extent of Rs.800 per month vide notification S.O.No. 395(E) dated 13.5.98.

(11) Under Section 10(15)(iv)(i) of the Income-tax Act, interest payable by the Government on deposits made by an employee of the Central Government or a State Government or a public sector company out of his retirement benefits, in accordance with such scheme framed in this behalf by the Central Government and notified in the Official Gazette is exempt from income-tax. By notification No.F.2/14/89-NS-II dated 7.6.89, as amended by notification No.F.2/14/89-NS-II dated 12.10.89, the Central Government has notified a scheme called **Deposit Scheme for Retiring Government Employees, 1989** for the purpose of the said clause.

(12) Clause (18) of Section 10 provides for exemption of any income by way of pension received by an individual or **family pension** received by any member of the family of an individual who has been in the service of the Central Government or State Government and has been awarded "Param Vir Chakra" or "Maha Vir Chakra" or "Vir Chakra" or such other gallantry award as may be specifically notified by the Central Government. Such notification has been made vide Notifications No.S.O.1948(E) dated 24.11.2000 and 81(E) dated 29.1.2001 which are enclosed as per **Annexure-VIA & VIB**

(13) Under Section 17 of the Act, exemption from tax will also be available in respect of:-

- (a) the value of any **medical treatment** provided to an employee or any member of his family, in any hospital maintained by the employer;
- (b) any sum paid by the employer in respect of any expenditure actually incurred by the employee on his medical treatment or of any member of his family:
 - (i) in any hospital maintained by the Government or any local authority or any other hospital approved by the Government for the purposes of medical treatment of its employees;
 - (ii) in respect of the prescribed diseases or ailments as provided in Rule 3A(2) of I.T. Rules 1962, in any hospital approved by the Chief Commissioner having regard to the prescribed guidelines as provided in Rule 3(A)(1) of I.T. Rule, 1962 :

In a case falling in sub-clause (ii) above, the employee shall attach with his return of income a certificate from the hospital specifying the disease or ailment for which medical treatment was required and the receipt for the amount paid to the hospital.

- (c) premium paid by the employer in respect of medical insurance taken for his employees (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority) or reimbursement of insurance premium to the employees who take medical insurance for themselves or for their family members (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority);
- (d) reimbursement, by the employer, of the amount spent by an employee in obtaining medical treatment for himself or any member of his family from any doctor, not exceeding in the aggregate Rs.15,000/- in an year.
- (e) As regards medical treatment abroad, the actual expenditure on stay and treatment abroad of the employee or any member of his family, or, on stay abroad of one attendant who accompanies the patient, in connection with such treatment, will be excluded from perquisites to the extent permitted by the Reserve Bank of India. It may be noted that the expenditure incurred on travel abroad by the patient/attendant, shall be excluded from perquisites only if the employee's gross total income, as computed before including the said expenditure, does not exceed Rs.2 lakhs.

For the purpose of availing exemption on expenditure incurred on medical treatment, "hospital" includes a dispensary or clinic or nursing home, and "family" in relation to an individual means the spouse and children of the individual. Family also includes parents, brothers and sisters of the individual if they are wholly or mainly dependent on the individual.

5.3 Deductions u/s 16 of the Act **Entertainment Allowance:**

A deduction is also allowed under clause (ii) of section 16 in respect of any allowance in the nature of an entertainment allowance specifically granted by an employer to the assessee, who is in receipt of a salary from the Government, a sum equal to one-fifth of his salary (exclusive of any allowance, benefit or other perquisite) or five thousand rupees whichever is less. No deduction on account of entertainment allowance is available to non-government employees.

Tax On Employment:

The tax on employment (Professional Tax) within the meaning of clause (2) of Article 276 of the Constitution of India, leviable by or under any law, shall also be allowed as a deduction in computing the income under the head "Salaries".

It may be clarified that "Standard Deduction" from gross salary income, which was being allowed up to financial year 2004-05 is not allowable from financial year 2005-06 onwards.

5.4 Deductions under chapter VI-A of the Act

In computing the taxable income of the employee, the following deductions under Chapter VI-A of the Act are to be allowed from his gross total income:

F. No. 142/31/2003-TPL

(Deepika Mittal)
Under Secretary to the Government of India

MINISTRY OF FINANCE
(Department of Economic Affairs)
(ECB & PR Division)

NOTIFICATION

New Delhi, the 22nd December, 2003

F.No. 5/7/2003-ECB &PR- The government approved on 23rd August, 2003 the proposal to implement the budget announcement of 2003-04 relating to introducing a new restructured defined contribution pension system for new entrants to Central Government service, except to Armed Forces, in the first stage, replacing the existing system of defined benefit pension system.

- (i) The system would be mandatory for all new recruits to the Central Government service from 1st of January 2004 (except the armed forces in the first stage). The monthly contribution would be 10 percent of the salary and DA to be paid by the employee and matched by the Central government. However, there will be no contribution from the Government in respect of individuals who are not Government employees. The contribution and investment returns would be deposited in a non-withdrawable pension tier-I account. The existing provisions of defined benefit pension and GPF would not be available to the new recruits in the Central Government service.
- (ii) In addition to the above pension account, each individual may also have a voluntary tier-II withdrawable account at his option. This option is given as GPF will be withdrawn for new recruits in Central government service. Government will make no contribution into this account. These assets would be managed through exactly the above procedures. However, the employee would be free to withdraw part or all of the 'second tier' of his money anytime. This withdrawable account does not constitute pension investment, and would attract no special tax treatment.
- (iii) Individuals can normally exit at or after age 60 years for tier-I of the pension system. At the exit the individual would be mandatorily required to invest 40 percent of pension wealth to purchase an annuity (from an IRDA-regulated life insurance company). In case of Government employees the annuity should provide for pension for the lifetime of the employee and his dependent parents and his spouse at the time of retirement. The individual would received a lump-sum of the remaining pension wealth, which he would be free to utilize in any manner. Individuals would have the flexibility to leave the pension system prior to age 60. However, in this case, the mandatory annuitisation would be 80% of the pension wealth.

Architecture of the new Pension System

- (iv) It will have a central record keeping and accounting (CRA) infrastructure, several pension fund managers (PFMs) to offer three categories of schemes viz. option A, B and C.
 - (v) The participating entities (PFMs and CRA) would give out easily understood information about past performance, so that the individual would be able to make informed choices about which scheme to choose.
2. The effective date for operationalization of the new pension system shall be from 1st of January, 2004.
